2024 — Now
2 yrs 3 mos

Senior Designer · **Wildberries** — the largest marketplace in Russia

- Redesigned navigation in the Prices & discounts and Promotions sections so sellers reach pricing and promo tools faster
- Redesigned the WB promotions feed, calendar and promotion drawers, so sellers compare offers and join a promotion in fewer steps
- Designed the Price index, which shows sellers how attractive their price is to buyers and how it affects visibility in search
- Take tasks from discovery to handoff, test hypotheses with prototypes, run demos and make decisions based on analytics and metrics

2022 — 2024
1 yr 10 mos

Lead Designer · **Medsi Digital** — services for the MEDSI clinic network and its users

- Built the design team from scratch, hired and onboarded 5 designers and introduced scrum rituals and a knowledge base, so the team covered all company products
- Introduced design reviews and built a design system with front-end developers, which removed friction with development and sped up delivery
- Created a single visual concept for the SmartMed app that united separate products into one consistent system
- Redesigned the doctor booking flow, which reduced the load on the call center

2021 — 2022
1 yr 3 mos

Senior → Lead Designer · **SberPravo** — online legal assistance service

- Led the product redesign from prototype to launch with user research and testing, and the product reached 10,000 orders
- Built a design system and a user flow map, mentored a designer and ran design reviews

2020 — 2021
1 yr 1 mo

Senior Designer · **VTB Bank** — online banking platform for legal entities

- Designed web interfaces and scenarios with analysts and product owners and oversaw implementation by 8 developers
- Simplified sign-in and account opening and shipped new features, which grew new users by 15%

2019 — 2020
1 yr

Middle Designer · **Loko Bank** — mobile app for legal entities

- Redesigned the app and built a design system, and the new version attracted 30,000+ new users
- The app rose from 25th to 7th place among banks in the Markswebb ranking
